EXIT

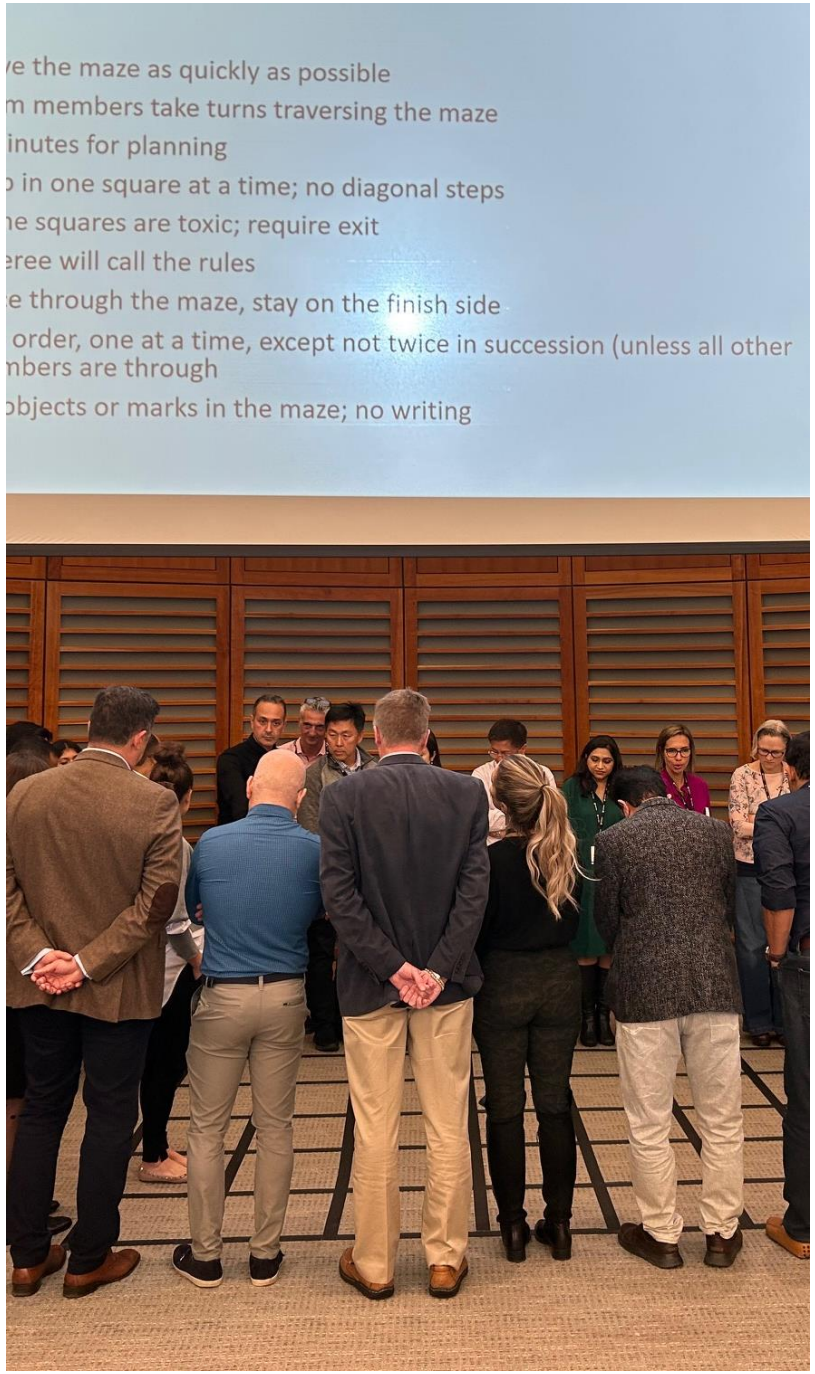

Haytham
DASANI

Rasika

ve the maze as quickly as possible
m members take turns traversing the maze
inutes for planning
o in one square at a time; no diagonal steps
ne squares are toxic; require exit
eree will call the rules
e through the maze, stay on the finish side
order, one at a time, except not twice in succession (unless all other
mbers are through
objects or marks in the maze; no writing

Jaqueline
